LumaSuite Accordion Cases Collection

After four years of research and development with specialists in ergonomics, professional luthiers and high-level musicians, a new concept is born, the perfect case to satisfy all of your everyday needs:

Transportable

light and
comfortable (3kg)

Resistant

protects against
shock and water

Customizable

portrays your unique
image and style,
recognizable wherever
you go

More info in www.lumasuite.com/accordion or info@lumasuite.com

1. Choose Your Coverage

Our Accordion Cases are handmade and customizable in two materials; choose which suits your needs:

1) Ultra light glass fibre

3,1kg

2) Premium carbon fibre

3kg

2. Do you want to split it?

The intermediate lids can be added to the classical design to divide your accordion. If you don't need them, choose the New Edition model.

NEW EDITION

Why you will love it

- New opening system for faster placing of your instrument: only 1 minute
- Comfortable carrying in one piece
- Optional handle and interior pocket for accordion straps

3. Pick Your Pattern

Each of our Accordion Cases are unique to you! Choose from 7 different styles to dazzle the world with your new case.

What are Your True Colors?

CLASSICS

Mix and match texture and color for an original, classy look.

 *Choose between a matte or bright finish
in your color: Plain or Twill carbon look,
